### OTHER:

Participation in the following research projects:

- R+D Project with reference HUM2007-60107FILO
- R+D Project with reference P07HUM-03028
- R+D Project with reference P07HUM-3041
- R+D Project with reference FF12012-3075
- R+D Project with reference FFI2016-75106

Research stays:

- 2005 (3 months) Lancaster University (UK)
- 2009 (3 months) University of Tübingen (Germany)
- 2014 (6 months) University of Edinburgh (UK).

Reviewing work:

- Journals: Word Structure, International Journal of Learner Corpus research, Folia Linguistica, CALICO.
- Edited books: John Benjamins, Cambridge University Press.
- Conferences: Societas Linguistica Europaea, International Conference of Learner Corpus Research.

Supervised dissertations:

14 MA Dissertations

1 PhD Dissertation (in progress, jointly with Cristóbal Lozano).
